Things about me and my life that my parents/carers would like to share with you:

Questions my parents/carers would like to ask:

All the above information will be used to help inform your child's keyworker and the other nursery staff about how best to help your child's beginning at nursery be a happy one. We will try to meet with you once a term to continue this sharing of information so that we can best support your child's development during their time at our nursery.

Thank-you for your help.
